All,

I haven't gotten any comments/edits from the executive board, so here is the draft presentation as submitted to Dan Palmer on Monday. Let me know if anyone has questions. Thanks.

The in-person invitees for each NEI briefing are the NEI Steering Committee, the SIT staff lead(s), and other relevant managers. Other SIT members are invited to listen in to the meeting by conference call, but are asked by the Executive Board to contribute only if requested. Let me know if you have any questions you would like the Steering Committee to raise. Thanks.
